

# LEVIN BROTHERS

Pre-Release: August 12, 2014

Official Release: September 9, 2014

**Tony Levin**, (bassist with Peter Gabriel, King Crimson), has for the first time, joined up with his brother, keyboardist **Pete Levin** (Miles Davis, Gil Evans, Jaco Pastorius, Wayne Shorter) to make an album (in both CD & Vinyl) of the music they loved listening to when they were kids - the 'cool jazz' of the 1950s. Tony's cello and bass share the lead voice with Pete's organ and piano, and they're joined by notable players on drums, guitar and sax. Don't expect abstruse songs or long-winded solos - this album is all about great, melodic songs with high level performances by all the players.

**LEVIN BROTHERS:** **Original**, cool-jazz with the feel of the 1950s.  
Produced by the Levin Brothers and Scott Schorr.
